

MEMORANDUM OF UNDERSTANDING

BETWEEN

VITS GROUP OF INSTITUTIONS (VGI), SATNA (M.P.)

AND

ANANT SOFTECH PRIVATE LIMITED (Briea)

This Memorandum of Understanding (MoU) is made and entered into on this 01.08.2025 by and between:

VITS Group of Institutions, Satna (M.P.) a premier educational institution established under the laws of India, having its principal office at Karhi Road, Amoudha, Satna-485001, India (hereinafter referred to as the "VGI"), which is committed to fostering student well-being, mental health, and fitness as a critical aspect of academic success and holistic development;

AND

Anant Softtech Private Limited, a company incorporated under the Companies Act, 1956, having its registered office at 706, Shapath II, Opp. Rajpath Club, SG Highway, Ahmedabad: 380015, India (hereinafter referred to as "Bria"), the owner and operator of Bria, an AI-powered health and wellness platform designed to support student wellness, fitness, and mental health, while also providing disease management and diagnostics services for their families.

1. PURPOSE

This MoU establishes a strategic collaboration between the VGI and Bria to enhance the health, well-being, and academic performance of students through the **Bria Student Wellness Plan**. This initiative, executed as a joint effort, ensures that students receive proactive wellness support, fitness programs, mental health assistance, and preventive healthcare at no cost to the VGI or students. By leveraging Bria's advanced AI-powered voice technology and multi-channel engagement, this partnership aims to create a healthier student community and contribute to a thriving academic environment.

2. SCOPE OF COLLABORATION

The VITS Group of Institutions (VGI) and Bria agree to collaborate in the following areas:

2.1 Implementation of Bria's Student Wellness Plan

- Bria will be made available to all students of the VITS Group of Institutions (VGI) free of charge.
- The VITS Group of Institutions (VGI) will facilitate student adoption through official communication channels, including emails, social media, student organizations, and wellness programs.
- Special incentives, such as free premium services and discounted diagnostics for students' families, will be offered through Bria.

2.2 Enhancing Student Well-Being and Engagement

- Bria will introduce regular wellness events, fitness challenges, and mental health awareness initiatives.

Your 24x7 Health Coach

- Incentives such as rewards, gamification, and motivational features will be used to enhance participation.
- A network of student ambassadors will be established to encourage peer-driven engagement.

2.3 Health and Wellness Monitoring & Reporting

- Bria will track key engagement metrics, including student participation in wellness programs, improvements in fitness levels, and mental health insights (while ensuring data privacy compliance).
- The VITS Group of Institutions (VGI) and Bria will conduct periodic reviews to assess program effectiveness and introduce enhancements as needed.

3. ROLES & RESPONSIBILITIES

3.1 Responsibilities of Bria

- Provide full access to the Bria platform, ensuring a seamless and personalized user experience.
- Conduct online webinars for VITS Group of Institutions (VGI) students and staff on the effective use of Bria.
- Continuously update and enhance the platform to align with evolving student wellness needs.

3.2 Responsibilities of the VITS Group of Institutions (VGI)

- Actively promote the adoption of Bria among students through VITS Group of Institutions (VGI) official communication channels and student engagement initiatives.
- Provide necessary infrastructure support, including space for wellness events and promotional activities.
- VITS Group of Institutions (VGI) designate a liaison to coordinate activities and ensure smooth collaboration.

4. TERM & TERMINATION

- This MoU shall remain in effect for **three (3) years** from the date of signing, with an option for renewal upon mutual agreement.
- Either party may terminate the agreement with a **60-day prior written notice**, specifying the reasons for termination.
- Any commitments made before termination shall be honoured in good faith to ensure continuity for students.

5. CONFIDENTIALITY & DATA PRIVACY

- Both parties agree to maintain the confidentiality of proprietary or sensitive information exchanged under this MoU.
- Student health data collected by Bria will be used solely for wellness services and will comply with all applicable data protection regulations.
- No personal health data shall be shared with third parties without explicit consent.
